## HARPER TO GIVE "ROUGH STUFF"

N. D. Coach Declares Hard Work Needed For Case Game.

With the opening game of the season scheduled for Saturday, Coach Harper will today begin a series of strenuous daily grinds on Cartier field in order to put his men in shape for the hard battle with Case.

Two and possibly three scrimmages will be on the boards this week, Harper announced at the conclusion of Saturday's practice. While a number of the squad members are suffering from bruises and knocks as a result of the two scrimmages last week, the coach declares that the men need considerable more "rough stuff" before they will be ready to line up against the Case aggregation.

Case is strong.

Case comes here with a strong reputation. For years the Notre Dame opponents have clashed with Michigan and each game has resulted in a hard battle. This year there are 13 men left over from the squad of last season and indications point to one of the strongest teams in history.

Just how the Notre Dame varsity will line up in Saturday's game is as yet a problem. The backfield is almost a certainty. Capt. Coffey and Bergman will be at the halves and John Miller will probably be able to start the game at fullback. It is yet a question whether Jim Pielan will get into Saturday's game. All depends on his condition this week. If Pielan is unable to start, Grant or Dorais will be at quarterback.

**Battle For Tackle Job.**

Bauman and Whipple look like the end choice. If Coughlin keeps up the pace, he showed in Saturday's scrimmage, he appears a certainty to start at left tackle. But McInerney will have to jump to keep Philbin from jumping into right tackle. Both men have been showing great form and there will undoubtedly be a desperate struggle for the job. Bachman and DeGree or Frantz look like the guard choices to start the opening battle.

Rydewski at present has the bulge on the center position, but Madigan, a last year's freshman, showed so well in Saturday's scrimmage that the big veteran will have to struggle hard to hold onto his job.

Next Saturday's game will be played on the new football field on Cartier field. The new gridiron is enclosed by the quarter mile cinder track. While work has been going on in putting the field in shape and in erecting new fences, the old varsity playing field has been laid out at a different angle than heretofore and men have been participating on it. The new football lot is where the old baseball playing field was formerly located, but under the plans for rearranging Cartier field, the diamond will be placed in the north end of the lot.

## INDIANA IN POOR WAY

Capt. McIntosh May Be Out of Game For Season.

International News Service: INDIANAPOLIS, Ind., Sept. 25.—The football situation at the start of the second week at Indiana university is anything but cheerful. Capt. McIntosh may be out of the game for the season because of blood-poisoning. Ehrhart, a star half-back, will not be able to report for another week, by which time the university guardians with the Indiana troops probably will be mustered out. The DePauw game is Saturday.

**OPEN WITH VICTORY.**

The J. Szizely football team started out its schedule yesterday afternoon by winning from the 9. Varko aggregation by a 37 to 9 score the game being played on the J. D. Oliver field. Klyse, Kuhlak, and Jagla of the winners featured the game with their playing. The Szizely's challenge any team in the city that averages 140 pounds. For names write to P. Langer, 704 S. ## IN NEGRO MINSTREL DAYS

Farmers Think of It. The number of people nowadays who are done by the middleman! Grocer—But just think back about 10 years? Farmer—As to what? Grocer—How they used to be done by the end man.

## SCRAMBLED

"No," she said to the grocer; "we got some eggs the other day by parcel post."

"How many?" ventured the grocer.

"Well, I don't know how many, but I would say about a gallon and a half of 'em."—Farm Life.

## A BETTER NAME

What does Bluffern call his new country place? Althea-among-the-Maples.

Huh! Last time I saw it I thought of naming it Dog-fennel-among-the-Buck-platians. —Farm Life.

## A MATTER OF TASTE

"Strange," remarked the grocer weighing out the arsenate of lead; "nothing but the potato bug will eat a potato vine."

"That bein' the case, however, nothin' else needs to," amended Uncle Lemuel, sighing.—Farm Life.

## PHILS STILL IN PENNANT BATTLE

Alexander Expected to be Called On Every Other Day if Necessary.

By Frank G. Menke.

NEW YORK, Sept. 25.—Are those phrenzies, phrenzies Phillies going to phil the plans of one C. Hercules Ebbs to give a world series party over in the teeming wilds of Brooklyn?

Just when everybody—including C. Hercules—had decided that the Dodgers would be certain performers in the blue ribbon baseball skit of 1916, a cable or something slipped. And now the Dodgers have been dragged to within one and one-half games of the never-say-die Phillies.

Can you blame the Dodgers and their owners for feeling a bit shivery in the region of their spinal column today? Or can you do anything but approve the re-awakened enthusiasm over in Quakertown? The Brooklynites have the "edge"—but they aren't quite "it."

**Phillies Can't Fight.**

They are game fighters, over there in Philadelphia; they don't know what it is to be beaten. Time and again this year they have seemed to be out of the race. Yet always in their plodding, but steady way, they have come on again and crept to within striking distance of the flag.

It is such a team that the Dodgers now must beat in this final rush toward the finish line—the toughest kind of foe extant. The Ebbs crowd has a job carried out for it from now on, because the Phillies are feeling beautifully and their slugs suddenly have returned to the land of swat.

If Rixey can "come back," or if Demaree or Mayer jump into the pitching breach in these final days and help Alexander throw back the onrushing hordes, victory may yet go to the Quakers. The elongated southpaw pitched wonderfully well up to three weeks ago. Since then he has been floundering. If he can get back into stride again—and immediately—the Phillies, not the Dodgers, will be the defenders of the honor and glory of the well known National league.

Pat Moran's stunt Saturday of permitting Alexander to work in a double-header seems to prove that at least he is going to play his trump card—that he will work Alexander every other day, if necessary, from now until the flag is clinched, or hopelessly lost. But he must have at least one more pitcher to work on those alternate days; one more heavier who can go in—and win. Can Rixey do it? Or Demaree? Or will it be Mayer, the erratic, or Bender, the old and withered, but ever brainy Indian?

Will that three-game series which the Phillies are to play in Brooklyn on Thursday, Friday and Saturday of this week decide the pennant? Or will the issue remain in doubt until the last game of the season has been played?

## Tough Going Ahead

The schedule for both clubs follows: Dodgers (to play 11.) At home—vs. Chicago four; vs. Philadelphia three; vs. New York four. Abroad, none.

Phillies (to play 11.) At home—vs. Cincinnati two; vs. Boston six. Abroad—At Brooklyn, three.

Which is the tougher assignment? For the Phillies to play the wobbling Braves, or for the Dodgers to tackle the "19 straight" Giants? The answer may decide the pennant.

## HARD WEEK FOR ZUPPKE

Must Get New Backfield in Order by Saturday.

International News Service: URBANA, Ill., Sept. 25.—With the team with Kansas only two weeks away the Illinois football team faces a hard week. Coach Zuppke must get a new back field in order within that time. The return of Applegrain will help the orange and blue and Zuppke probably will transfer him from forward to end, where Applegrain subbed in 1914.

## BRODIE IS DUE TODAY

Football Practice Begins With a Bang at Chicago.

International News Service: CHICAGO, Sept. 25.—The second week of football practice at Stagg field will begin with a bang today when the first real scrimmage play will be undertaken. Brodie, the husky maroon line-man, is expected to report today. The real problem for Coach Stagg is filling the end positions.

## A MATTER OF TASTE

"Strange," remarked the grocer weighing out the arsenate of lead; "nothing but the potato bug will eat a potato vine."

"That bein' the case, however, nothin' else needs to," amended Uncle Lemuel, sighing.—Farm Life.
